

Measurement Computing Corporation Terms and Conditions of Sale

Customer and Measurement Computing Corporation (hereinafter "MCC") agree that the purchase and sales of MCC hardware and software products ("the Products") are made under these terms and conditions, and that MCC SHALL NOT BE BOUND BY CUSTOMER'S ADDITIONAL OR DIFFERENT TERMS. Customer's order and purchase of the Products shall constitute acceptance of these terms and conditions.

1. **TITLE.** Title to the Products shall pass at MCC's plant. MCC retains a security interest and right of possession in the Products until Customer makes full payment.
2. **TAXES.** Product prices are exclusive of, and Customer shall pay, applicable sales, use, service, value added or like taxes, unless Customer has provided MCC with an appropriate exemption certificate for the delivery destination acceptable to the applicable taxing authorities.
3. **PRICES AND PAYMENT.** All quotations shall expire thirty (30) days from date of issuance, unless otherwise set forth on the quotation or agreed in writing. Customer shall make payment in full prior to or upon delivery by cashier's check, credit card, or money order, unless MCC approves Customer for credit terms. If MCC approves Customer's credit application, payment shall be due no later than 30 days from the date of MCC's invoice. All sums not paid when due shall accrue interest daily at the lesser of a monthly rate of 1.5% or the highest rate permissible by law on the unpaid balance until paid in full. Payments for orders accepted in the United States shall be made in U.S. Dollars. In the event of any order for several units, each unit(s) will be invoiced when shipped. Exceptions will be made for government purchase orders.
4. **ORDERS.** All orders are subject to acceptance by MCC. MCC's booking of an order shall constitute its acceptance of an order.
5. **DELIVERY.** MCC shall deliver the Products to a carrier at MCC's plant and, if the Products are sold to a Customer outside the United States, shall clear the Products for export destined outside the United States. Customer shall pay all freight charges, applicable import duties, and other necessary fees and shall bear the risks of carrying out customs formalities and clearance. Orders are entered as close as possible to the Customer's requested shipment date, if any. Shipment dates are scheduled after acceptance of orders and receipt of necessary documents. Claims for shipment shortage shall be deemed waived unless presented to MCC in writing within forty-five (45) days of shipment.
6. **LIMITED WARRANTY. LIFETIME PRODUCT WARRANTY:** MCC manufactured and branded hardware Products are warranted against defect in material and workmanship for the life of the product unless otherwise noted below. Products resold by MCC carry the original manufacturer's warranty. Certain MCC hardware Products are warranted against defects in materials and workmanship for a limited period of time from the date MCC ships the Products to Customer ("Delivery Date") as follows: USB-500 Series hardware Products (one (1) year); Solid State Relays (one (1) year); ISO-5B modules (one (1) year); CB-COM Series hardware Product (one (1) year); Custom Design hardware product (one (1) year). Any products found to be defective in material or workmanship will be repaired, replaced with same or similar device, or refunded at MCC's sole discretion. All software Products are licensed to Customer under the terms of the appropriate Measurement Computing license. For a period of ninety (90) days from the Delivery Date, MCC software Products (when properly installed with MCC hardware Products) (a) will perform substantially in accordance with the accompanying written materials, and (b) the medium on which the software product is recorded will be free from defects in materials and workmanship under normal use and service. Customer must obtain a Return Material Authorization number from MCC before returning any Products under warranty to MCC. Customer shall pay expenses for shipment of repaired or replacement Products to and from MCC. After examining and testing a returned product, if MCC concludes that a returned product is not defective, Customer will be notified, the product returned at Customer's expense, and a charge made for examination and testing. This Limited Warranty is void if failure of the Products has resulted from accident, abuse, misapplication, improper calibration by Customer, Customer supplied third party software not intended for use with the applicable MCC software, utilization of an improper hardware or software key or unauthorized maintenance or repair.
7. **CUSTOMER REMEDIES.** MCC's sole obligation (and Customer's sole remedy) with respect to the foregoing Limited Warranty shall be to, at its option, return the fees paid or repair/replace any defective Products, provided that MCC receives written notice of such defects. Customer may not bring an action to enforce its remedies under the foregoing Limited Warranty more than one (1) year after the accrual of such cause of action.
8. **RETURN/CANCELLATION/CHANGE POLICY.** Customer may return unwanted Products

within thirty (30) days of the Delivery Date. No returns will be accepted after the thirty (30) day period has expired. Where special equipment or services are involved, Customer shall be responsible for all related work in progress; however, MCC shall take responsible steps to mitigate damages immediately upon receipt of a written cancellation notice from Customer. A Return Material Authorization number must be obtained from MCC for return of any Products. MCC may terminate any order if any representations made by Customer to MCC are false or misleading. Changes to orders shall not be binding upon nor be put into effect by MCC unless confirmed in writing by MCC's appropriate representative.

9. NO OTHER WARRANTIES. EXCEPT AS EXPRESSLY SET FORTH ABOVE, THE PRODUCTS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, AND NO OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED ARE MADE WITH RESPECT TO THE PRODUCTS, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT OR ANY OTHER WARRANTIES THAT MAY ARISE FROM USAGE OF TRADE OR COURSE OF DEALING. MCC DOES NOT WARRANT, GUARANTEE, OR MAKE ANY REPRESENTATIONS REGARDING THE USE OF OR THE RESULTS OF THE USE OF THE PRODUCTS IN TERMS OF CORRECTNESS, ACCURACY, RELIABILITY, OR OTHERWISE AND DOES NOT WARRANT THAT THE OPERATION OF THE PRODUCTS WILL BE UNINTERRUPTED OR ERROR FREE. MCC EXPRESSLY DISCLAIMS ANY WARRANTIES NOT STATED HEREIN.

10. NO LIABILITY FOR CONSEQUENTIAL DAMAGES. The entire liability of MCC and its licensors, distributors, and suppliers (including its and their directors, officers, employees, and agents) is set forth above. To the maximum extent permitted by applicable law, in no event shall MCC and its licensors, distributors, and suppliers (including its and their directors, officers, employees, and agents) be liable for any damages, including, but not limited to, any special, direct, indirect, incidental, exemplary, or consequential damages, expenses, lost profits, lost savings, business interruption, lost business information, or any other damages arising out of the use or inability to use the Products, even if MCC or its licensors, distributors, and suppliers has been advised of the possibility of such damages. Customer acknowledges that the applicable purchase price or license fee for the Products reflects this allocation of risk. Because some states/jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply. If the foregoing limitation of liability is not enforceable because an MCC product sold or licensed to Customer is determined by a court of competent jurisdiction in a final, non-appealable judgment to be defective and to have directly caused bodily injury, death, or property damage, in no event shall MCC's liability for property damage exceed the greater of \$50,000 or fees paid for the specific product that caused such damage.

11. WARNING: (1) MCC PRODUCTS ARE NOT DESIGNED WITH COMPONENTS AND TESTING FOR A LEVEL OF RELIABILITY SUITABLE FOR USE IN OR IN CONNECTION WITH SURGICAL IMPLANTS OR AS CRITICAL COMPONENTS IN ANY LIFE SUPPORT SYSTEMS WHOSE FAILURE TO PERFORM CAN REASONABLY BE EXPECTED TO CAUSE SIGNIFICANT INJURY TO A HUMAN. (2) IN ANY APPLICATION, INCLUDING THE ABOVE, RELIABILITY OF OPERATION OF THE SOFTWARE PRODUCTS CAN BE IMPAIRED BY ADVERSE FACTORS, INCLUDING BUT NOT LIMITED TO FLUCTUATIONS IN ELECTRICAL POWER SUPPLY, COMPUTER HARDWARE MALFUNCTIONS, COMPUTER OPERATING SYSTEM SOFTWARE FITNESS, FITNESS OF COMPILERS AND DEVELOPMENT SOFTWARE USED TO DEVELOP AN APPLICATION, INSTALLATION ERRORS, SOFTWARE AND HARDWARE COMPATIBILITY PROBLEMS, MALFUNCTIONS OR FAILURES OF ELECTRONIC MONITORING OR CONTROL DEVICES, TRANSIENT FAILURES OF ELECTRONIC SYSTEMS (HARDWARE AND/OR SOFTWARE), UNANTICIPATED USES OR MISUSES, OR ERRORS ON THE PART OF THE USER OR APPLICATIONS DESIGNER (ADVERSE FACTORS SUCH AS THESE ARE HEREAFTER COLLECTIVELY TERMED "SYSTEM FAILURES"). ANY APPLICATION WHERE A SYSTEM FAILURE WOULD CREATE A RISK OF HARM TO PROPERTY OR PERSONS (INCLUDING THE RISK OF BODILY INJURY AND DEATH) SHOULD NOT BE RELIANT SOLELY UPON ONE FORM OF ELECTRONIC SYSTEM DUE TO THE RISK OF SYSTEM FAILURE. TO AVOID DAMAGE, INJURY, OR DEATH, THE USER OR APPLICATION DESIGNER MUST TAKE REASONABLY PRUDENT STEPS TO PROTECT AGAINST SYSTEM FAILURES, INCLUDING BUT NOT LIMITED TO BACK-UP OR SHUT DOWN MECHANISMS. BECAUSE EACH END-USER SYSTEM IS CUSTOMIZED AND DIFFERS FROM MCC'S TESTING PLATFORMS AND BECAUSE A USER OR APPLICATION DESIGNER MAY USE MCC PRODUCTS IN COMBINATION WITH OTHER

PRODUCTS IN A MANNER NOT EVALUATED OR CONTEMPLATED BY MCC, THE USER OR APPLICATION DESIGNER IS ULTIMATELY RESPONSIBLE FOR VERIFYING AND VALIDATING THE SUITABILITY OF MCC PRODUCTS WHENEVER MCC PRODUCTS ARE INCORPORATED IN A SYSTEM OR APPLICATION, INCLUDING, WITHOUT LIMITATION, THE APPROPRIATE DESIGN, PROCESS AND SAFETY LEVEL OF SUCH SYSTEM OR APPLICATION.

12. FORCE MAJEURE. MCC shall be excused for any delay or failure to perform due to any cause beyond its reasonable control, including but not limited to acts of governments, natural catastrophes, acts of Customer, interruptions of transportation or inability to obtain necessary labor or materials. MCC's estimated shipping schedule shall be extended by a period of time equal to the time lost because of any excusable delay. In the event MCC is unable to perform in whole or in part because of any excusable failure to perform, MCC may cancel orders without liability to Customer.

13. LIMITED INDEMNITY AGAINST INFRINGEMENT. MCC shall, at its own expense, defend any litigation resulting from sales of the Products to the extent that such litigation alleges that the Products or any part thereof infringes any United States patent, copyright, or trademark, provided that such claim does not arise from the use of the Products in combination with equipment or devices not made by MCC or from modification of the Products, and further provided that Customer notifies MCC immediately upon its obtaining notice of such impending claim and cooperates fully with MCC in preparing a defense. If Customer provides to MCC the authority, assistance, and information MCC needs to defend or settle such claim, MCC shall pay any final award of damages in such suit and any expense Customer incurs at MCC's written request, but MCC shall not be liable for a settlement made without its prior written consent. If the Products are held to be infringing and the use thereof is enjoined, MCC shall, at its option, either (i) procure for the Customer the right to use the Products, (ii) replace the Products with others which do not constitute infringement, or (iii) remove the infringing Products and refund the payment(s) made therefore by Customer. The foregoing states the Customer's sole remedy for, and MCC's entire liability and responsibility for, infringement of any patent, trademark, or copyright relating to the Products provided hereunder. THIS LIMITED INDEMNITY IS IN LIEU OF ANY OTHER STATUTORY OR IMPLIED WARRANTY AGAINST INFRINGEMENT.

14. ACKNOWLEDGMENT/GOVERNING LAW. Customer acknowledges reading these Terms and Conditions, understands them and agrees to be bound by them. A waiver of any provision of this agreement shall not be construed as a waiver or modification of any other term hereof. With respect to all orders accepted by MCC in the United States, disputes arising in connection with these Terms and Conditions of Sale shall be governed by the laws of the State of Texas without regard to principles of conflicts of laws. With respect to all orders accepted by MCC outside the United States, disputes arising in connection with these Terms and Conditions of Sale shall be governed by the laws of the country and locality in which MCC accepts the order without regard to principles of conflicts of laws.
