¹ Academic pricing for this product will expire in 2017.

² The Analog Parts Kit (APK) is no longer ordered by value code or coupon code, and is instead pre-bundled with the Analog Discovery 2 as the Analog Discovery 2 Student Bundle. The purpose of this bundle is to make ordering products required for courses hassle-free for students and professors. The Analog Discovery Student bundle is available to non-academic groups as well; however, the discount for non-academic groups are limited to an automatic \$15 discount and are not eligible for the academic price listed here. In order to receive the academic pricing advertised in this price list, customers must go through the academic verification process outlined at the top of this document.
