Academic discounts are available on <u>certain products</u> for customers who qualify. To apply for these discounts, follow the <u>Academic Verification</u> process on our website. Once your academic status is verified, the discounted prices will appear when logged into your account.

For questions about Academic pricing, please contact us, or use our support forum at forum.digilentinc.com.

Terms: Pricing is listed in USD. Products must be purchased from store.digilentinc.com. Shipping costs are not included. These prices are valid for 30 days from this date and are subject to change. Academic discounts for the products listed in the "Accessories for Scopes and Instruments" and "Accessories" tables are approved for direct purchases only. We do not offer the academic discount for these products through distribution channels.

¹ The Analog Parts Kit (APK) **is no longer ordered by value code or coupon code** and is instead pre-bundled with the Analog Discovery 2 as the Analog Discovery 2 Student Bundle. The purpose of this bundle is to make ordering products required for courses hassle-free for students and professors. The Analog Discovery Student bundle is available to non-academic groups as well; however, the discount for non-academic groups are limited to an automatic \$15 discount and are not eligible for the academic price listed here. In order to receive the academic pricing advertised in this price list, customers must go through the academic verification process outlined at the top of this document.
